The benefits to student-centred learning institutions for learning objectives.

Identify your disciplines.

Spanning the full teaching cases and case journal.

The eCase Collection is a unique and exciting way of learning.

A powerful teaching tool.

What is a case study?

A dynamic method of learning.

Enhances critical thinking and reasoning skills.

Develops work awareness and time-management skills.

Offers an opportunity for students to take the lead.

6. Teams or individuals can present back their recommendations, based on their interpretation of the problems.

7. Teachers offer subtle guidance in the form of leading questions.

8. Introduce a business expert to the class who can represent individuals or teams.

9. Divide the class into teams and encourage limited guidance.

10. Allow an open and positive conflict.

11. Delay judgement until the end.

12. Summarise all findings.
