eJournals

Journal publishing has been at the heart of Emerald for over 50 years. In 2019 Emerald’s eJournal collections will include over 185,000 articles from more than 300 journals. Bringing together theories and expertise from industries and communities around the world, our online eJournal Collections provide a truly multi-disciplinary resource for your institution.

Emerald is proud of our heritage in publishing high quality and applied research that champions fresh thinking by investing in a global author network. We believe that real change grows from inspirational research. That is why our core ethos is to make a difference by equipping the world’s decision makers with the knowledge and insight to generate ideas and incite change.

Reliable and authoritative – all journals are double-blind peer-reviewed, supported by a network of over 15,000 Editorial Advisory Board members

International – each year Emerald represents the work of over 58,000 authors from more than 140 countries

Highly cited – journals were cited over 200,000 times in 2017, which is an increase of more than 20% compared to 2016
Collection options

A simple and flexible approach to building your eJournal holdings. Individual libraries and consortia can tailor their resources by selecting the eJournal package that best serves the needs of the institution.

Management eJournal Portfolio
For over 50 years, Emerald has remained committed to growing a portfolio of management research that makes a practical impact on society.

Engineering, Computing & Technology eJournal Portfolio
Launched in 2018, this portfolio allows customers to take all journals that are aligned to engineering, computing and technology fields in one complete collection.

eJournal Subject Collections
Effectively manage budgets and build a bespoke eJournal library by choosing from 13 individual subject collections.

Access a continuously growing collection of current and archive content.
eJournals Premier is Emerald’s largest collection of content that is available from one subscription - offering maximum value to subscribers.

311 journals
13,500+ articles scheduled to publish during 2019, which is a 7% increase compared to 2018
185,000+ articles in total by the end of 2019

Supporting you throughout your research journey
emeraldinsight.com

- No download restrictions
- Search & browse
- No embargoes
- HTML & PDF
- Mobile & desktop
- Multi-user & institution-wide access

Accessible
Supporting IP, OpenAthens and Shibboleth authentication enabling streamlined access to content.
Compliant with W3C AA guidelines making content accessible for people with disabilities.

Customized
Institutional administration area provides single point access to usage reports, KBART & MARC records, subscription listings and co-branding options.
User profile allows registrants to tailor research with favourite searches, new content and citation alerts, and bookmarking favourites.

Integrated
Hosted on an industry leading platform, aligned to other publisher platforms supporting integration and usability.
Integration with remote customer websites through harvesting and remote search capabilities.

Discoverable
Citation management and reference linking features, including compatibility with EndNote, Reference Manager, RefWorks, ProCite, Zotero, Mendeley and BibTex.
Indexed in all major discovery services including Primo, Summon and EBSCO Discovery Service.

About us
For over 50 years, research impact has sat at the heart of Emerald’s business. Our core ethos is making a difference through research, and we are proud of our heritage supporting the communication of research for policy and practice.
