Spanning the breadth of operations, logistics and quality management, this portfolio is indispensable to both researchers and practitioners in the field.

All titles are ranked by Scopus and five titles are accepted by Journal Citation Reports, including *Supply Chain Management* which received an Impact Factor above 4 for 2016.

Downloaded 3.2 million times in 2016, this highly topical collection features articles on current topics including sustainable and green supply chain, operations strategy, technology management, and quality control and reliability.

www.emeraldpublishing.com/ejournal-olq
“The International Journal of Quality & Reliability Management has an established reputation as a leading journal for publishing papers on the full range of topics and issues in quality. Its scope covers both technical (hard) and cultural (soft) aspects of contemporary quality management and appeals to both academics and professionals in the field.”

Professor Alan Brown, Edith Cowan University, Australia

What does your subscription include?

Access in perpetuity
Perpetual access to content published during your subscription period, even if you stop subscribing.

Complimentary access
Users will receive complimentary access to selected archive content for the duration of a live subscription.
A dedicated research platform

All of Emerald’s content is hosted on emeraldinsight.com, providing seamless access to research.

Delivering a clear and simple user experience

- No download restrictions
- Concurrent, multi-user access
- No embargoes
- Searchable HTML, and PDF articles
- Structured abstracts
- Browse content
- Institution-wide access
- Quick and enhanced search
- Direct to desktop and mobile devices

About Emerald Publishing

Emerald Publishing was founded in 1967 to champion new ideas that would advance the research and practice of business and management. Today, we continue to nurture fresh thinking in applied fields where we feel we can make a real difference, now also including health and social care, education and engineering.

We publish over 300 journals, more than 2,500 books and over 1,500 case studies. Our priority is to build long-term relationships with a global community of authors, teachers and librarians who want to find, share and apply research that matters.
