eJournals Collections

Property Management & Built Environment

- The largest journal collection dedicated to this field of research, with coverage of traditional areas such as construction and property management, as well as exploring emerging trends such as disaster resilience, smart cities and sustainable development.
- Many titles maintain links with key associations; the *Journal of European Real Estate* is the official journal of European Real Estate Society and the *Journal of Place Management and Development* is the official journal of Institute of Place Management.
- The collection also includes ten CIB (International Council for Research and Innovation in Building and Construction) encouraged journals. All titles are ranked by Scopus and 83% of eligible titles are listed in the Emerging Sources Citation Index.

www.emeraldpublishing.com/ejournal-pmbe

*Journal Citation Reports® (Clarivate Analytics, 2017) ** Emerging Sources Citation Index (Clarivate Analytics) *** 2016 CiteScore™ (Powered by Scopus®)

“**The Journal of Property Investment & Finance** has for many years been essential reading for all those keen to understand the trends and changes impacting property as an investment asset. It is rare for a journal to so successfully combine theoretical perspectives with an emphasis on relevance and practical application.”

Paul McNamara, PRUPIM, UK

**What does your subscription include?**

**Access in perpetuity**
Perpetual access to content published during your subscription period, even if you stop subscribing.

**Complimentary access**
Users will receive complimentary access to selected archive content for the duration of a live subscription.
A dedicated research platform

All of Emerald’s content is hosted on emeraldinsight.com, providing seamless access to research.

**Accessible**
- Supporting IP, OpenAthens and Shibboleth authentication enabling streamlined access to content.
- Compliant with W3C AA guidelines making content accessible for people with disabilities.

**Integrated**
- Hosted on an industry-leading platform, aligned to other publisher platforms supporting integration and usability.
- Integration with remote customer websites through harvesting and remote search capabilities.

**Discoverable**
- Citation management and reference linking features, including compatibility with EndNote, Reference Manager, RefWorks, ProCite, Zotero, Mendeley and BibTex.
- Content is indexed in all major discovery services including Primo, Summon and EBSCO Discovery Service.

**Customized**
- Institutional administration area provides single point access to usage reports, KBART & MARC records, subscription listings and co-branding options.
- Unique user profile allows registrants to tailor research by saving favourite searches, signing up for new content and citation alerts, and bookmarking favourite publications.

Delivering a clear and simple user experience

- No download restrictions
- Concurrent, multi-user access
- No embargoes
- Searchable HTML, and PDF articles
- Structured abstracts
- Browse content
- Institution-wide access
- Quick and enhanced search
- Direct to desktop and mobile devices

About Emerald Publishing

Emerald Publishing was founded in 1967 to champion new ideas that would advance the research and practice of business and management. Today, we continue to nurture fresh thinking in applied fields where we feel we can make a real difference, now also including health and social care, education and engineering.

We publish over 300 journals, more than 2,500 books and over 1,500 case studies. Our priority is to build long-term relationships with a global community of authors, teachers and librarians who want to find, share and apply research that matters.
