# Business, Management & Strategy eBook Collection

The Business, Management and Strategy eBook Collection includes titles from renowned scholars, drawn from leading organisations such as University of Toronto (Canada), Kings College London (UK) and Erasmus University (Netherlands). Key topics covered include strategic management, innovation and economic growth, corporate social responsibility and social media in management.

## Key Titles

### Advances in Strategic Management

Series editor: **Professor Brian Silverman**, Rotman School of Management, University of Toronto (Canada)

The series is dedicated to communicating innovative, new research that advances theory and practice in Strategic Management. The domain of the series encompasses, but is not limited to, corporate and business unit strategy, strategic organization and process, alliances and networks, and competitive dynamics.

**This leading series is ISI listed.**

### Advances in International Management

Series editors: **Timothy Devinney**, Pro-Dean for Research and Innovation Leadership Chair in International Business at Leeds University (UK); **Laszlo Tihanyi**, Professor of Management at Texas A&M University (USA); Professor **Torben Pedersen**, Copenhagen Business School, Denmark.

This series is a research annual devoted to advancing the cross-border study of organizations and management practices from a global, regional, or comparative perspective, with emphasis on interdisciplinary inquiry that integrates ideas from multiple academic disciplines.

### Advances in Global Leadership

Series editor: **Joyce Osland**, San José State University (USA)

This series focuses on the need for better developed conceptual models, processes and tools for developing global leaders. Integrating models and evidence from multiple cultures and non-Western authors also contributes to pursuing this deeper understanding into effective global leadership.

*"This series has consistently been a benchmark of fresh and insightful scholarship that makes sense and provides value to those of us who grapple with the challenge of bringing to bear robust behavioral science to real world issues."*

Mathew J. Jacob, Vice President - Organization Effectiveness Applied Materials, Santa Clara, CA (USA)
