Key Titles

Research in the Sociology of Organizations

This series is an established international, peer-reviewed series that examines cutting edge theoretical, methodological and research issues in organizational studies. It is the most popular series within the HR, Learning Organization Studies eBook collection with over 105,000 downloads since 2012.

Series editor, **Professor Michael Lounsbury** is selected as a Thomson Reuters Highly Cited Researcher - with scholarly papers ranking among the top 1% most cited in Economics & Business.

Research in Personnel and Human Resources Management

Series Editors: **Michael Ronald Buckley**, University of Oklahoma, (USA); **Jonathon Halbesleben**, University of Alabama, (USA); **Anthony R. Wheeler**, Bryant University, (USA)

The series is designed to promote theory and research on important substantive and methodological topics in the field of human resources management. It is published yearly and includes papers on issues of cutting edge importance by some of the very best scholars in the field. It is considered to be one of the most respectable publications in the field of human resources management and acts as a primary resource to both individuals and libraries.

Research in Organizational Change and Development

Series editor; **Abraham B. (Rami) Shani**, California Polytechnic State University (USA); **Debra A. Noumair**, Columbia University (USA)

This series brings forth the latest scholarly work and practice in the fields of organization development and organizational change. It offers stimulating ideas that have reshaped the direction of research and practice.

"For twenty years this seminal series has been at the centre of innovative thought in the field of organization change and development. It is essential reading for scholars and students." David Coghlan, School of Business, Trinity College Dublin, Ireland
