New for 2018

The Stalled Revolution

Eva Tutchell, Education Consultant, UK
John Edmonds, Kings College London, UK

The Stalled Revolution showcases how the wisdom from our collective struggles can help form the bedrock of a new and successful liberation campaign today.

Sexual Violence on Campus

Chris Linder, University of Georgia, USA

From the Great Debates in Higher Education series which addresses key challenges and issues in higher education on a national and international level.

Award winning books

We are extremely proud to have been named the ProQuest IPG Academic and Professional Publisher of the Year in the 2018 Independent Publishing Awards. It is wonderful to have the hard work of our authors, editors and publishing teams recognized in this way. The judges said,

“What Emerald has achieved in the last year is very impressive.”

IPG Academic and Professional Publisher of the Year 2018

Prize winning books

Book Excellence Awards 2017, Personal Finance category

H. Kent Baker, American University, USA
Vesa Puttonen, Aalto University, Finland

Given the complex and challenging world of investing, what chance do individuals have navigating the financial minefield and emerging unscathed? Not much, unless they become knowledgeable about investment fundamentals, recognize and correct their mistakes and behavioral biases, and avoid traps strewn along their path. Investment Traps Exposed guides investors past such potential pitfalls as pyramid and Ponzi schemes to help them become more financially successful.

2018 American Publishers Awards for Professional & Scholarly Excellence: Education Theory

Justin J. W. Powell, University of Luxembourg, Luxembourg
David P. Baker, Pennsylvania State University, USA
Frank Fernandez, Pennsylvania State University, USA

In The Century of Science, a multicultural, international team of authors examine the global rise of scholarly research in science, technology, engineering, mathematics, and health (STEM+) fields. This insightful text provides historical and sociological understandings of the ways that higher education has become an institution that, more than ever before, shapes science and society.

Find your perfect eBook model
