Qualitative Research in Accounting & Management, 2019

“Enabling and coercive controls in the 21st century – Revisiting Adler & Borys”
Re-examines a core concept within a contemporary context and draws on past research to reach new conclusions in tangible changes and methodology of standard practices.

Accounting Research Journal, 2019

“Accounting standards setting”
Affiliated with the Australian Accounting Standards Board Academic Advisory Panel, this special issue seeks academic evidence to fill a vital role in the development of high-quality accounting standards. Communication in all sectors of our economy continues to increase in complexity and importance. The need for timely and relevant research about financial and non-financial reporting has never been greater.
