Leading authors and editors:

Tony Wall, University of Chester, UK. Professor Wall is Founder and Head of the International Centre for Thriving, a global scale collaboration between business, arts, health, and education to deliver sustainable transformation for the common good. Overall, his leadership and international impact in these areas have attracted numerous accolades including the prestigious Advance-HE National Teaching Fellowship and three Santander International Research Excellence Awards. His academic leadership and innovative approaches to collaborating in interdisciplinary teams and networks across the globe have attracted or contributed to multiple major European projects worth over €700k.

Jana Dlouhá, University of Prague, Czech Republic. Vice-chairman of the Czech Commission for UNESCO, Member of the ‘Working Group on National Strategy of Education for Sustainable Development’ of the Government Council for Sustainable Development.

Professor Walter Leal, Hamburg University of Applied Sciences, Germany. Head of the Research and Transfer Centre “Sustainability and Climate Change Management” at the Hamburg University of Applied Sciences, has been working in the field of environmental and sustainable development since 1987. He initiated the International Climate Change Information Programme (ICCIIP), publishes several international journal and book series and acts as review editor for the International Panel of Climate Change.
