

eJournals 2020

Health & Social Care Collection

Our thought-provoking Health & Social Care Collection explores real-world scenarios and offers recommended improvements and solutions from leading thinkers in the field.

Themes covered include inequalities in healthcare provision, parity of physical and mental health, caring for

an ageing population, the impact of crime on society, and creating healthy workforces.

Many journals are published in partnership with key research centres including the Tizard Centre at University of Kent (UK), Estia Centre (UK), and Health Service Management Centre, University of Birmingham (UK).

Special Issues:

Advances in Autism, 2019

“Women, Girls, and Autism Spectrum Disorder”

This special issue aims to collate new empirical research studies and opinion / conceptual pieces on issues relevant to women and girls with ASD, to increase recognition of the characteristics, support, service and treatment needs of this group.

International Journal of Human Rights in Healthcare

“Health inequalities and migrants: Accessing healthcare as a global human right”

The articles in this special issue demonstrate improvements are needed to policies to ensure migrants’ rights to access to healthcare in host countries.

Leading authors and editors:

Jerome Carson, University of Bolton, UK. Dr. Carson has been comparing happiness levels in present day Bolton with data collected in the town in 1938. This work has been featured internationally and has been reported by Time Online, amongst other International magazines and newspapers. He has published over 200 journal papers and book chapters.

Anthea Tinker, King’s College London, UK, has been a specialist in the field of social policy for over 40 years.

Yona Lunsy, Azrieli Adult Neurodevelopmental Centre, Canada, was named the inaugural director of the Azrieli Centre and is the first Canadian to receive the Steven Reiss Research Award (US).

Craig Pinkney, University College Birmingham, UK. A high profile author whose views on music and gang culture have been widely publicised in the UK national press.
