

# We have access to Expert Briefings from Emerald Publishing

For a limited time, we have access to current and archive Expert Briefings content. Capturing the unbiased analysis of independent business leaders and academics on political, social and economic events, Expert Briefings meticulously examine the implications and impact of global emerging trends and developments.

## What is included?

- Daily Briefings are published each day and provide up-to-the-minute analysis of global events as they happen.
- A five-year archive containing over 20,000 briefings, provides a timeline of local events and their impact both within the region and globally.
