Our authorship is global, with representation from over 140 countries. Not only are Emerald authors affiliated to respected institutions but also from recognised international organisations. They are leaders in their fields, established voices as well as new and emerging specialists, presenting meaningful and relevant research and thought-leadership to challenge views, support learning and make an impact.

Subject coverage

Our Business, Management & Economics Portfolio's subject coverage is vast! It includes series, serial and individual eBook titles, with content ranging from accounting and economic theory, strategy, marketing, tourism and communications to public policy, leadership and library management.

Expert authorship from academia and practice

Bob Langert – author of *The Battle to Do Good*. Senior executive at McDonald's for 25 years.

Gavin Brown and Richard Whittle – authors of *Algorithms, Blockchain and Cryptocurrency* both part of the new *The Future of Work* series. Brown is Associate Professor at University of Liverpool, UK and Whittle is Principal Lecturer at Manchester Metropolitan University, UK. Both are high profile experts in economics and finance.

Professor Sir Cary Cooper CBE – Series editor of *Advances in Mergers and Acquisitions* and author of a *The Future of Work* series title. Cooper is a highly respected expert in the field of HR and in particular occupational health, featuring regularly on television and radio as a specialist voice.
