## Journals

Essential publications that empower the change-makers of the future and inspire positive action in society.

- **Extensive:** Largest collection of business, management & accounting journals in the world.
- **Sought after:** 51 million article downloads annually.
- **Impact:** Articles cited by global policy organisations including WHO, World Bank and the EU.

## Case Studies

Top quality teaching resource for global institutions running management and business studies courses.

- **Broad:** Coverage of topical subjects across recent trends in business management such as gender, diversity, inclusion, environment and sustainability.
- **High quality:** The CASE Journal (TCJ) and Emerging Markets Case Studies (EMCS) are both indexed in Scopus. We employ a rigorous, double-blind peer review process.
- **Real-life scenarios** From coffee to mainstream media; from fuel to employee relations, Case Studies reflect on current real-world challenges faced by organisations today.

## Books

More than 4,180 titles seeking to challenge viewpoints and encourage discourse.

- **Something for everyone:** With impactful monographs, thought-provoking series and exceptional handbooks.
- **Diverse:** In 2023, Emerald book authors derived from 116 different countries.
- **High profile:** Exceptional award winning authors including Sir Christopher A Pissarides, Jenny Garrett, Gráinne Perkins, and Iona Burnell Reilly.

## ICE Publishing

World-class content for researchers and practitioners in civil and environmental engineering and materials science.

- **Comprehensive:** 36 peer reviewed journals, over 1,580 books and an archive of over 36,000 research articles.
- **Change focused:** ICE Publishing content is aligned with United Nations Sustainable Development Goals (SDGs) to assist in achieving the 2030 net zero target.
- **High profile:** Award winning authors, including Rachel Skinner CBE; Mike Krimes CBE and Jennifer Schooling OBE used by senior professionals and policymakers.
