About Emerald

For over 50 years, championing fresh thinking has been at the heart of the Emerald business. Our core ethos from our early roots to modern day Emerald, is to help make a difference so that little by little, those in academia or in practice can work together to make a positive change in the real world. Emerald manages a portfolio of over 300 journals and over 3,000 books and book series volumes, over 1500 teaching cases as well as providing an extensive range of online products and additional customer resources and services. Our award-winning books programme continues to have impact and relevance for students, researchers, practitioners, businesses, government departments and institutions worldwide.

Emerald Publishing is part of Emerald Group.

Comprehensive information regarding Emerald Books, new titles and catalogues can be found at <https://books.emeraldinsight.com/>

Connect with us

As an independent, progressively minded global publisher, we value our relationships with our authors, editors and customers, and recognize our responsibility to the academic and professional communities that we serve.

We strive to put the needs of authors, editors and customers at the heart of what we do in an ever-changing landscape. We are an innovative, supportive partner, and the very best home for authors – at every stage of their careers. We are passionate about representing global, and diverse and under represented voices, seeking and publishing the very best book-length research.

The Emerald team has many years' experience working closely with authors, editors and organizations on works that demonstrates both academic rigor and applied value.

As a publisher we are committed to real-world impact that has a positive benefit on society at large, and in our role as publisher and facilitator, to support communities to overcome barriers to impact. This makes us the publisher of choice for authors of unique, market-leading books that offer practical, real-world insights to academics, policymakers, practitioners and professionals alike in the areas of Business, Management, Finance and Economics, Diversity and Inclusion, Education, Engineering and Sustainability, and Social Sciences.

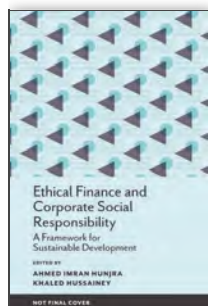

As an early signatory of the SDG Publisher Compact, our programme demonstrates the value of scholarly endeavor and the real-world benefits outstanding research can deliver to have a positive impact in solving the 'wicked problems' the UN SDGs were designed to tackle during this Decade of Action.

We are committed to continuously developing our vibrant, award-winning programme across a range of interdisciplinary topics and disciplines. And, to ensure we maintain the highest level of quality and trust for the research we publish, all our content is rigorously peer reviewed.

Ethical Finance and Corporate Social Responsibility A Framework for Sustainable Development

Edited by: Ahmed Imran Hunjra *Ghazi University, Pakistan*; Khaled Hussainey *The University of Portsmouth, UK*

Synopsis

The term ethical finance refers to finance that considers environmental, social, and governance (ESG) aspects influencing a borrower and/or its possessions. The authors provide a fresh look at ESG aspects along with CSR implementation for sustainable development, which has global and long-term repercussions.

Understanding Financial Risk Management, Third Edition

Author: Angelo Corelli *NOVA School of Business and Economics, Portugal*

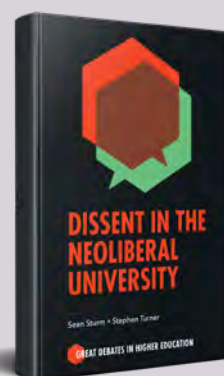

Synopsis

Financial risk management is a topic of primary importance in financial markets. It is important to learn how to measure and control risk, how to be primed for the opportunity of compensative return, and how to avoid useless exposure.

Microfinance and Development in Emerging Economies

An Alternative Financial Model for Advancing the SDGs

Author: Nishi Malhotra *The Indian Institute of Management, India*

Synopsis

Using India as a case study, *Microfinance and Development in Emerging Economies* builds and evidences an argument that microfinance and group lending are the best way to combat and address the economic exclusion that blights so many across the Global South.

Modeling Economic Growth in Contemporary Poland

Entrepreneurship and Global Economic Growth

Edited by: Elżbieta Bukalska *Maria Curie-Skłodowska University, Poland*; Tomasz Kijek *Maria Curie-Skłodowska University, Poland*; Bruno S. Sergi *Harvard University, USA*

Synopsis

Trying to explain the sources of Poland's economic success and decouple it from simple stylized facts on economic convergence anchored in the neoclassical growth models, the chapters show how the Polish economy rapidly moved away from the communist economic system, which had ended up in an economic collapse.

Additive Manufacturing for Construction

Edited by: Biranchi Panda Indian Institute of Technology (IIT) Guwahati, India; Pshtiwan N. Shakor University of Technology, Sydney, Australia; Vittoria Laghi University of Bologna, Italy and Massachusetts Institute of Technology, USA

Synopsis

Additive Manufacturing for Construction reveals additive manufacturing technologies for building and construction applications. The book explores on-site and off-site construction techniques, and features design strategies in additive manufacturing which will eliminate production difficulties and minimise assembly costs, both from the academic and industrial perspectives.

Fibre-reinforced Concretes for High Performance Structures

Building a More Sustainable Future

Author: Andreas Lampropoulos University of Brighton, UK

Synopsis

Designed as a guide to fill the knowledge gap between research and use in industry, this book presents key information about the development, performance and design of three main materials, fibre reinforced concrete, ultra-high performance fibre reinforced concrete and geopolymer concrete, and critically analyses them to highlight the key mechanical properties and durability characteristics.

How to Order and Further Information

How to order

Standing Orders

To arrange a standing order for any series title, please e-mail your purchase order to booksales@emerald.com

eBook Portfolio and Collections

All Emerald eBooks are available on a purchase or subscription basis as full portfolios, backfiles slices or specific subject collections. For more details email contactemerald@emerald.com

eBook Select

eBooks Select from Emerald allows you to create your own bespoke collection of eBook titles from the entire range currently published, from 1991 to today. Available in orders of 50, 75, 100, 150 or 200 eBooks, your selected titles are yours on a perpetual basis. For more details about eBook Select email contactemerald@emerald.com

eBook aggregators

Emerald works with all major library suppliers, online retailers and eBook aggregators to fulfil book orders.

For more information visit: <https://books.emeraldinsight.com/page/ebook-landing-page>

To write for Emerald

We welcome proposals for new books and our team of commissioning editors are highly experienced and more than happy to provide you with early advice and guidance.

For further information, please visit:

<https://www.emeraldgroupublishing.com/publish-with-us/publish-a-book-or-series/get-ready-publish-a-book>

Book translations and audio rights

At Emerald, we are passionate about finding an audience for our book content beyond the English language and beyond the print and eBook formats. We aim to create and nurture long-term partnerships with foreign publishers in translation or audio from around the globe and to develop the audio possibilities for our books. The vast majority of our 3,000 titles are available for licensing into another language and we would welcome the opportunity to discuss your requirements.

For all book translation or audio enquiries, please contact

Emily Bevis at ebevis@emerald.com

Permissions

Did you know that permission is required to republish, copy, abridge or distribute any content for which Emerald holds the copyright?

Emerald's on-line permission service is delivered through Copyright Clearance Center's RightsLink® www.copyright.com/get-permissions/

This service provides a highly efficient, real time service to clear copyright permission for the re-use, distribution or republication of Emerald's copyright materials.

To clear permission for any Emerald content:

1. Find the chapter you wish to reuse on www.emerald.com/insight/
2. Click on the "Reprints and permissions" link
3. Follow the RightsLink® instructions

If the title you are interested in or the type of use you need is not available via RightsLink®, please contact permissions@emerald.com

ePrints

ePrints provide you with the option of hosting a PDF of an Emerald eBook chapter or article on your website or intranet. You can choose either a read-only version (i.e. non-printable) for a set period of time or you can choose a printable option and set the number of reprints required. These are perfect for conferences or promoting your work. If you wish to order ePrints, simply head to the Emerald website, search for the content required and click on the "Reprints and permissions" link.

Inspection copies

Considering one of our books for your course? We can provide you with a digital inspection copy via our online portal, Digital Comps. Request your copy at:

<https://emeraldinsight-einspections.eb20.com/>

For all inspection copy enquiries, please contact us at booksales@emerald.com
