## About Emerald

For over 50 years, championing fresh thinking has been at the heart of the Emerald business. Our core ethos from our early roots to modern day Emerald, is to help make a difference so that little by little, those in academia or in practice can work together to make a positive change in the real world. Emerald manages a portfolio of over 300 journals and over 3,000 books and book series volumes, over 1500 teaching cases as well as providing an extensive range of online products and additional customer resources and services. Our award-winning books programme continues to have impact and relevance for students, researchers, practitioners, businesses, government departments and institutions worldwide.

Emerald Publishing is part of Emerald Group.

Comprehensive information regarding Emerald Books, new titles and catalogues can be found at <https://books.emeraldinsight.com/>

## Connect with us

E: [booksales@emerald.com](mailto:booksales@emerald.com)

As an independent, progressively minded global publisher, we value our relationships with our authors, editors and customers, and recognize our responsibility to the academic and professional communities that we serve.

We strive to put the needs of authors, editors and customers at the heart of what we do in an ever-changing landscape. We are an innovative, supportive partner, and the very best home for authors – at every stage of their careers. We are passionate about representing global, and diverse and underrepresented voices, seeking and publishing the very best book-length research.

The Emerald team has many years' experience working closely with authors, editors and organizations on works that demonstrates both academic rigor and applied value.

As a publisher we are committed to real-world impact that has a positive benefit on society at large, and in our role as publisher and facilitator, to support communities to overcome barriers to impact. This makes us the publisher of choice for authors of unique, market-leading books that offer practical, real-world insights to academics, policymakers, practitioners and professionals alike in the areas of Business, Management, Finance and Economics, Diversity and Inclusion, Education, and Social Sciences.

As an early signatory of the SDG Publisher Compact, our programme demonstrates the value of scholarly endeavor and the real-world benefits outstanding research can deliver to have a positive impact in solving the 'wicked problems' the UN SDGs were designed to tackle during this Decade of Action.

We are committed to continuously developing our vibrant, award-winning programme across a range of interdisciplinary topics and disciplines. And, to ensure we maintain the highest level of quality and trust for the research we publish, all our content is rigorously peer reviewed.

## Enacting Student Success

**Rethinking Approaches to Practice**

Great Debates in Higher Education

**Author:** Leonard D. Taylor *Auburn University, USA*

### Synopsis

While student success escapes a singular definition, it is most often discussed in terms of how students' characteristics, behaviours, and dispositions suggest their progression toward post-secondary outcomes. Taylor explores historical and contemporary student success research, questioning how effective the current policies are.

## Digital Politics, Digital Histories, Digital Futures

### New Approaches for Historicising, Politicising and Imagining the Digital

Digital Activism And Society: Politics, Economy And Culture In Network Communication

**Edited by:** Adi Kuntsman *Manchester Metropolitan University, UK*; Liu Xin *Karlstad University, Sweden*

#### Synopsis

Digital politics is rarely explored holistically and interdisciplinary beyond a focus on digital activism, digital warfare or Internet governance. *Digital Politics, Digital Histories, Digital Futures* addresses this gap, initiating conversations about digital politics to a range of disciplines, developing new pedagogy for the field.

## Sameness and Repetition in Contemporary Media Culture

**Author:** Susana Tosca *University of Southern Denmark, Denmark*

### Synopsis

**The ebook edition of this title is Open Access and freely available to read online.**

Our culture has an uneasy relationship with repetition and sameness. On the one hand, we find familiarity pleasurable and soothing; on the other, we crave novelty and long for a sense of discovery. We blame algorithms, intent on selling us more of the same, and on a media industry too greedy to risk investing in intellectually challenging, radically new, products. *Sameness and Repetition in Contemporary Media Culture* takes a comprehensive approach that both theorises and historically grounds the idea of repetition in relation to media as something that is deeply embedded in our cultural tradition. This project received funding from the Carlsberg Foundation.

# How to Order and Further Information

## How to order

---

### Standing Orders

To arrange a standing order for any series title, please e-mail your purchase order to [booksales@emerald.com](mailto:booksales@emerald.com)

### eBook Portfolio and Collections

All Emerald eBooks are available on a purchase or subscription basis as full portfolios, backfiles slices or specific subject collections. For more details email [contactemerald@emerald.com](mailto:contactemerald@emerald.com)

## eBook Select

---

eBooks Select from Emerald allows you to create your own bespoke collection of eBook titles from the entire range currently published, from 1991 to today. Available in orders of 50, 75, 100, 150 or 200 eBooks, your selected titles are yours on a perpetual basis. For more details about eBook Select email [contactemerald@emerald.com](mailto:contactemerald@emerald.com)

## eBook aggregators

---

Emerald works with all major library suppliers, online retailers and eBook aggregators to fulfil book orders.

For more information visit: <https://books.emeraldinsight.com/page/ebook-landing-page/>

## To write for Emerald

---

We welcome proposals for new books and our team of commissioning editors are highly experienced and more than happy to provide you with early advice and guidance.

For further information, please visit:

<https://www.emeraldgroupublishing.com/publish-with-us/publish-a-book-or-series/get-ready-publish-a-book>

## Book translations and audio rights

---

At Emerald, we are passionate about finding an audience for our book content beyond the English language and beyond the print and eBook formats. We aim to create and nurture long-term partnerships with foreign publishers in translation or audio from around the globe and to develop the audio possibilities for our books. The vast majority of our 3,000 titles are available for licensing into another language and we would welcome the opportunity to discuss your requirements.

For all book translation or audio enquiries, please contact

Emily Bevis at [ebevis@emerald.com](mailto:ebevis@emerald.com)

## Permissions

---

Did you know that permission is required to republish, copy, abridge or distribute any content for which Emerald holds the copyright?

Emerald's on-line permission service is delivered through Copyright Clearance Center's RightsLink® [www.copyright.com/get-permissions/](http://www.copyright.com/get-permissions/)

This service provides a highly efficient, real time service to clear copyright permission for the re-use, distribution or republication of Emerald's copyright materials.

To clear permission for any Emerald content:

1. Find the chapter you wish to reuse on [www.emerald.com/insight/](http://www.emerald.com/insight/)
2. Click on the "Reprints and permissions" link
3. Follow the RightsLink® instructions

If the title you are interested in or the type of use you need is not available via RightsLink®, please contact [permissions@emerald.com](mailto:permissions@emerald.com)

## ePrints

---

ePrints provide you with the option of hosting a PDF of an Emerald eBook chapter or article on your website or intranet. You can choose either a read-only version (i.e. non-printable) for a set period of time or you can choose a printable option and set the number of reprints required. These are perfect for conferences or promoting your work. If you wish to order ePrints, simply head to the Emerald website, search for the content required and click on the "Reprints and permissions" link.

## Inspection copies

Considering one of our books for your course? We can provide you with a digital inspection copy via our online portal, Digital Comps. Request your copy at:

<https://emeraldinsight-einspections.eb20.com/>

For all inspection copy enquiries, please contact us at [booksales@emerald.com](mailto:booksales@emerald.com)

Place an order
