About Emerald

For over 50 years, championing fresh thinking has been at the heart of the Emerald business. Our core ethos from our early roots to modern day Emerald, is to help make a difference so that little by little, those in academia or in practice can work together to make a positive change in the real world. Change product numbers to 'Emerald manages a portfolio of 349 journals, 8,800 books and 3,300 case studies, over 3,100 teaching cases as well as providing an extensive range of online products and additional customer resources and services. Our award-winning books programme continues to have impact and relevance for students, researchers, practitioners, businesses, government departments and institutions worldwide.

Comprehensive information regarding Emerald Books, new titles and catalogues can be found at bookstore.emerald.com

Connect with us

Hello

Let us introduce our market-leading books, providing practical, real-world insights to academics, policymakers, practitioners and professionals, globally.

Did you know our books cover some of the most pressing subjects impacting the world today? We offer interdisciplinary and vibrant research across a broad range of topics such as climate change and healthcare, as well as traditional business management and social sciences subjects.

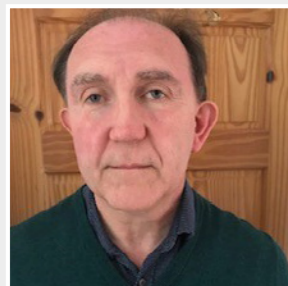

What makes us different?

Not only are we an independent and progressively minded global publisher, we're also committed to representing global, diverse, and under-represented voices, seeking to publish the very best book-length research.

And as you'd expect, all our content is rigorously peer-reviewed, maintaining the highest level of quality and trust for the research we publish.

We hope you enjoy exploring our latest titles. If you have any questions, then please reach out to one of the team, who'll be happy to help.

Leigh Waite, Margaret McGuinness and the Emerald Books Team

Education for Awakening

An Eastern Approach to Holistic Education

Current Perspectives in Holistic Education

Author: Yoshiharu Nakagawa *Doshisha University, Japan*

Synopsis

Eastern thought has significant potential for holistic education, providing rich ideas and various practices. However, integrating holistic education with Eastern thought has not been seriously considered in education. *Education for Awakening* attempts to build an Eastern view of holistic education.

Social Studies Instruction, Learning, and Assessment in the Contemporary World

Leveraging the Past to Form a New and Equitable Future

Teaching and Learning Social Studies

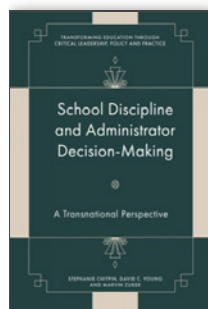

Authors: R. Mark Epps *Secondary social studies educator, USA*; Rebecca G. Harper *Augusta University, USA*

Synopsis

The book reflects that social studies teaching should be recursive and fluid, allowing for movement forward, backward, inward, and outward, thus creating opportunities for students to examine events, not just through the rote memorization of dominant facts and figures, but through critical inquiry and reflection.

School Discipline and Administrator Decision-Making

A Transnational Perspective

Transforming Education Through Critical Leadership, Policy and Practice

Authors: Stephanie Chitpin *University of Ottawa, Canada*; David C. Young *St. Francis Xavier University, Canada*; Marvin Zuker *University of Toronto, Canada*

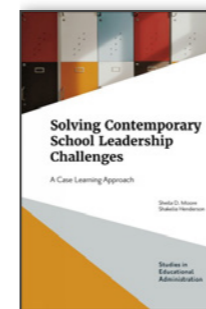

Synopsis

Developed for leaders, practitioners and researchers to explore the theory and practice of decision-making, with specific reference to school administrators and their response to school discipline. This work delves into the experiences of Canadian and Mauritian principals faced with tensions—sometimes racial—regarding discipline.

Kindness Through Africentricity

Kindness Through Africentricity
Living as Caring Human Beings

Kindness at Work

Edited by: Susan M. Brigham *Mount Saint Vincent University, Canada*; Sylvia Parris-Drummond *Delmore "Buddy" Daye Learning Institute, Canada*; Lindsay Ruck *Delmore "Buddy" Daye Learning Institute, Canada*

Synopsis

Kindness through Africentricity: Living as Caring Human Beings draws on Africentric philosophy, the principles of Ubuntu, and intersectionality to offer a groundbreaking exploration of kindness within African Nova Scotian communities. This volume challenges conventional understandings by positioning kindness not only as a moral virtue, but as a powerful and transformative force rooted in cultural, communal, and historical contexts. It bridges theory and lived experience, providing a critical Africentric perspective that invites readers to consider kindness as both a personal ethic and a communal practice.

Exploring Effective Leadership Practices Through Popular Culture

Short-form paperbacks which outline various leadership styles, theories and concepts through the lens of popular culture.

The Data-Driven World of Academic Publications

Advances in Digital Technology and Data-Driven Business Practices

Edited by: Tanuj Singh *Point Park University, USA*; Shakil Ahmad *Imam Abdulrahman Bin Faisal University - Saudi Arabia*; Nripendra Singh *Pennsylvania Western University, USA*

Synopsis

The book addresses critical questions around the equity, reliability, and future direction of publication metrics through expert insights, case studies, and analysis of emerging trends. It scrutinizes the balance between the invaluable insights provided by data-driven metrics and the potential pitfalls of their over-reliance, offering a forward-looking perspective on navigating the digital age of scholarly publication.

Equity at the End

The New American Way of Death
Authors: Staci M. Zavattaro *University of Central Florida, USA*; Jennifer L. Wright-Berryman *University of Cincinnati, USA*

Synopsis

Staci M. Zavattaro and Jennifer L. Wright-Berryman explore the intricate and often confusing landscape of deathcare in the United States. This complex system of public, private, and nonprofit institutions often leaves individuals perplexed as they navigate their final arrangements, revealing significant inequities.

The Ethics of Unlocking Research with Children

Creativity, Agency and Change

Emerald Studies in Child Centred Practice

Edited by: Sam Frankel *Learning Allowed, UK*; Susan Kay-Flowers *Liverpool John Moores University, UK*

Synopsis

Exploring how 'ethical' decision making has become limited by institutional understandings of children as 'objects' or 'subjects' within a research process, chapters invite us to reimagine a process in which child centred practices are at the centre of encouraging a more fluid and relational method of managing risks and vulnerabilities.

How to order

Standing orders

To arrange a standing order for any series title, please e-mail your purchase order to booksales@emerald.com

eBook portfolio and collections

All our eBooks are available on a purchase or subscription basis as full portfolios, backfiles slices or specific subject collections. For more details email contactemerald@emerald.com

eBook Select

eBooks Select from Emerald allows you to create your own bespoke collection of eBook titles from the entire range currently published, from 1991 to today. Available in orders of 50, 75, 100, 150 or 200 eBooks, your selected titles are yours on a perpetual basis. For more details about eBook Select email contactemerald@emerald.com

eBook aggregators

We work with all major library suppliers, online retailers and eBook aggregators to fulfil book orders.

For more information visit: emeraldgroupublishing.com/explore-our-content/books/discover-our-ebooks

Write for Emerald

We welcome proposals for new books and our team of commissioning editors are highly experienced and more than happy to provide you with early advice and guidance.

For further information, please visit: emeraldgroupublishing.com/publish-with-us/publish-a-book-or-series

Book translations and audio rights

At Emerald, we are passionate about finding an audience for our book content beyond the English language and beyond the print and eBook formats. We aim to create and nurture long-term partnerships with foreign publishers in translation or audio from around the globe and to develop the audio possibilities for our books. The vast majority of our 6,000 titles are available for licensing into another language and we would welcome the opportunity to discuss your requirements. For all book translation or audio enquiries, please contact Margaret McGuinness at mmcguinness@emerald.com

Permissions

Did you know that permission is required to republish, copy, abridge or distribute any content for which Emerald holds the copyright? Emerald's on-line permission service is delivered through Copyright Clearance Center's Rightslink® copyright.com/get-permissions/

This service provides a highly efficient, real time service to clear copyright permission for the re-use, distribution or republication of Emerald's copyright materials.

To clear permission for any Emerald content:

1. Find the chapter you wish to reuse on emerald.com/insight/

2. Click on the "Reprints and permissions" link

3. Follow the Rightslink® instructions

If the title you are interested in or the type of use you need is not available via Rightslink®, please contact permissions@emerald.com

ePrints

ePrints provide you with the option of hosting a PDF of an Emerald eBook chapter or article on your website or intranet. You can choose either a read-only version (i.e. non-printable) for a set period of time or you can choose a printable option and set the number of reprints required. These are perfect for conferences or promoting your work.

If you wish to order ePrints, simply head to emerald.com, search for the content required and click on the "Reprints and permissions" link.

Inspection copies

Considering one of our books for your course? We can provide you with a digital inspection copy via our online portal, Digital Comps. Request your copy at: emeraldinsight-einspections.eb20.com/

For all inspection copy enquiries, please contact us at booksales@emerald.com
