To create a new profile on emerald.com/insight

1. From the Homepage select ‘Register’

2. Enter your name, email address and Organisation Access Number (if relevant, see page 3 for more information on OANs).
3. Tick the box to agree to our Terms and Conditions and Privacy Policy, then click ‘Register’. You will see confirmation that an email is being sent to you:

Then look for the activation email:

4. Click the ‘Login’ link to set and confirm your password:

5. Click ‘Continue’ to be taken to the Homepage and logged in.
About Organisation Access Numbers (OANs)

An OAN is an access code provided by your librarian or organisation administrator. The code links your personal account to your institution or organisation so that you can access their Emerald resources off-campus or from home.

In most cases, off-campus access will be automatically set up by your institution (for example, via Shibboleth, Open Athens or CASA) but if this cannot be arranged you will need an OAN to access the resources. This will be provided by your library administrator.

How to add an OAN to your profile

There are two ways to do this:

A) When you register for a profile - use steps 1-5 above

B) If you already have a profile on emerald.com/insight, follow the steps below:

1. Log into your profile
2. Click ‘Profile’ from the Homepage
3. Click ‘Add Organisation Access Number’
4. Enter the OAN and click ‘Link’.
5. If successful, you will see a confirmation and the institution’s name will show in your profile as a linked organisation

Link made successfully

Your account has been linked to ‘xxxxx xxxxxxxx xxxx’. You will now be able to access your organisation’s holdings while logged in as this user.
